For over a century, the Hong Kong Philharmonic Orchestra (HKPO) forms the cultural heartbeat of our city. From an amateur band established more than 120 years ago, we have grown into a truly international ensemble of 90 outstanding musicians from Hong Kong, China and other countries such as Japan, Korea, France, USA, England and Georgia. One of Asia's leading orchestras today, HKPO attracts world-class artists with the likes of Yo-Yo Ma, Lang Lang and Gil Shaham to collaborate on its stage each year, enriching the lives of over 200,000 music lovers through more than 150 performances.

Launched in 2000, Club Bravo (CB) bridges our orchestra with lovers of symphonic music who desire a closer relationship with HKPO than just orchestra and patrons. As a CB member, you are allowed into the side of the orchestra that you cannot see from downstage. Through backstage visits of the orchestra, meet-the-artist sessions, open rehearsals, and many more exclusive events only available to CB members, you can truly feel the artistic pulse of this great ensemble.

To help make your concert-planning and -going experience more enjoyable, CB members can take advantage of our many special privileges designed only for you: ticket discounts, priority bookings, regular updates of HKPO news and concert information and special hotline etc.

There's more. By becoming a CB member, you join the every growing legion of music lovers who take pride in their own wonderful orchestra – like this city, completely unique and dynamic – the Hong Kong Philharmonic Orchestra.

Join us today.
